

LEAD PASTOR | ENCHANT EFC

Enchant, Alberta

Enchant EFC is currently seeking a pastor for our small-town congregation. We are the first EFC church of Canada and we celebrated our 100th anniversary in 2017.

Enchant is located 2 hours south of Calgary and 1 hour north of Lethbridge. The town has a school for k-grade 9, a community store, library, beautiful campground and golf course across the highway, and history of families that have lived here for generations. We are a diverse community with a large low German Mennonite population. Our church family has a wide variety of ages. We currently run Sunday School classes for all ages, Men's and Women's bible studies weekly, some youth activities in conjunction with other churches, and a summer week-long VBS program. We are an active member church of Southern Alberta Bible Camp, which is located about half an hour west.

We are praying for an individual who first and foremost fits the biblical characteristics of a godly leader according to 1 Timothy 3 and feels called to our community. Some attributes that would be considered as important or beneficial to shepherding our congregation would be strong biblical preaching and teaching, an emphasis on children's and youth ministry, participation in the praise and worship aspect of our services, and prayer.

If you feel God calling you to seek out this opportunity further, please contact us at eefcsearchcommittee@gmail.com
